

LENTE OFFERING REMITTANCE FORM

Thank you for taking the time to complete this remittance form. Please know that the time you take to complete this form and the feedback you provide will help the REC100 Committee evaluate and improve the REC100 Lenten Offering. The parish Treasurer should complete the front side of this form and the Pastor (or person in charge of the parish) should complete the back side of this form. Any questions may be addressed to our National Canon Missioner, Fr. Jason Grote at J2Grote@rechurch.org.

The following instructions should be noted about the Lenten Offering:

- Parishioners should make checks payable to the local parish and the parish should process all contributions as you would your Sunday offerings. The designations for REC100 contributions should be recorded by the treasurer such that he/she can complete this form and forward the total offerings received to REC100. **Do not mail parishioners' contributions directly to REC100.**
- One check should be written from the parish to REC100 for the entire amount of the offering received. Lenten Offerings should NOT be forwarded to your local Diocese.
- A single check, payable to REC100, and this remittance form should be completed and mailed back to our Dallas office at the address in the footer below (or use the enclosed envelope) by the 3rd Sunday after Easter. That will be April 22, 2018.

Parish Name: _____

Parish Address: _____

PASTOR'S FEEDBACK

Please summarize how the offering was publicized, implemented, and taken within your parish.

Examples:

- *Announced weekly with one special offering taken at the end of Lent*
- *Offerings received throughout Lent*
- *Use of mite boxes*

Did you use the REC100 brochures and offering envelopes? If yes, did you find them helpful and well received by the congregation? If no, why not?

What did you find was most effective at generating excitement and participation within the parish? What suggestions do you have for the REC100 Committee that would help you, as the pastor, better communicate and promote REC100 and the Lenten Offering to your parish?
